Dear Shirin,

Both documents look PERFECT! Thanks for adding the 25% upward adjustment as I forgot and only remembered during the weekend. The math is good, the evidence is solid, we are so ready to route!

We send the 3007 to:

Mr. Michael Brose  
VP Alaska Operations  
North Pole Refinery  
Flint Hill Resources Alaska. LLC  
1100 H & H Lane  
North Pole, Alaska 99705

Thank you,  
xy

Let me know what you think of this prefiling letter.

Also, can you find the name of a facility or corporate contact? The only entity listed on the AK secretary of state is the registered agent corporate name.

Thanks!
